

Building a Stronger Tomorrow

OUR STORY

Established on 15th October 2015, Aryan Infraspace Private Limited has grown from humble beginnings to a trusted name in the construction industry. Our journey began in 1982, when our Founder, Mr. Chandeshwar R Patel, started as a laborer in Ahmedabad, Gujarat, and later ventured into small-scale bricks and plaster labor contracts. With the involvement of his family members over the years, Aryan Infraspace expanded its expertise into RCC construction and beyond.

Today, we stand proud as an ISO-certified organization, backed by a dedicated team of 70+ professionals and engineers and a workforce of over 1,500 workers. With more than 100 successfully completed projects, we specialize in high-rise residential and commercial building construction and finishing work at all levels.

Equipped with state-of-the-art tools and machinery.

Aryan Infraspace excels in delivering quality projects while fostering a satisfying and safe work environment for our employees.

OUR VISION

To be a leading name in the construction industry, recognized for our quality work, safety standards, and commitment to sustainable development, while contributing to the growth of modern infrastructure in India.

OUR MISSION

To deliver top-notch construction solutions by blending innovation, expertise, and safety while fostering long-term relationships with our clients and providing a rewarding work environment for our employees.

Our Core Values

- **Quality Over Quantity:** We prioritize quality in every aspect of our work, ensuring excellence in all our projects.
- **Safety First:** We are committed to adhering to the highest safety standards by providing PPE kits and enforcing safety policy.
- **Employee Satisfaction:** We believe in building a positive and engaging workplace through employee activities, training, and celebrations.
- **Innovation:** We embrace new products and processes to continuously improve our construction techniques.
- **Integrity:** We operate with honesty, transparency, and a client-first approach in all our endeavors.
